Definition of vandalism

- action involving deliberate destruction of or damage to public or private property.

Damage to the Jimmy Ah Toy Oval....

A priority for Pine Creek has always been our beautiful esthetics, with well maintained parks and gardens.

Our town prides it self on its attractiveness to tourists and facilities that are well maintained for all locals to enjoy!

Some time between the 5th and 9th of February vandals drove a vehicle onto the Jimmy Ah Toy oval creating havoc, damaging the oval surface and leaving ruts that are difficult to repair at this time of year due to heavy rain creating erosion.

Pine Creek Community has always been proactive in working together to maintain a wonderful town.

Thank you to those that drew our attention to the damage.

International Women's Day (IWD) is a global day celebrating the social, economic, cultural and political achievements of women.

The day also marks a call to action for accelerating gender parity. Around the world, a significant level of activity gets underway and many groups and organisations use the IWD logo, annual campaign theme and assets to promote awareness about gender parity. The IWD logo is used to support and unify activity that celebrates and drives women's advancement. It's brilliant to see the large volume of worldwide activity each year driving gender parity.

International Women's Day

Help forge a better working world - a more inclusive, gender equal world.
How will you #PressforProgress ?

*The International Women's Day 2018 campaign theme is
#PressforProgress.*

*Individually, we're one drop but together we're an ocean.
Commit to a "gender parity mindset" via progressive action.
Let's all collaborate to accelerate gender parity,
so our collective action powers equality worldwide.*

An Update on the Kurtis Williams Adventure.

Since leaving Pine Creek on the 31st October 2017 to work in the snow fields in Canada, Kurtis has been working and playing HARD! He is working in the Ski School at Whistler Ski Resort helping kids on the slopes and in the huge play areas that they have there.

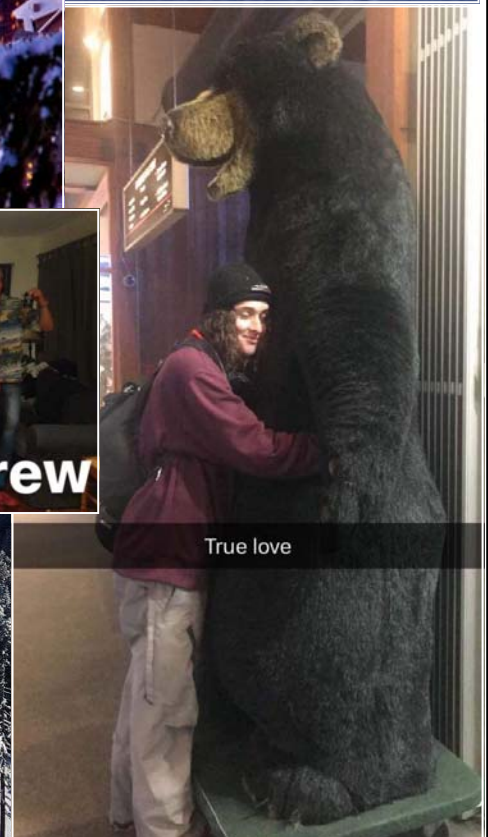

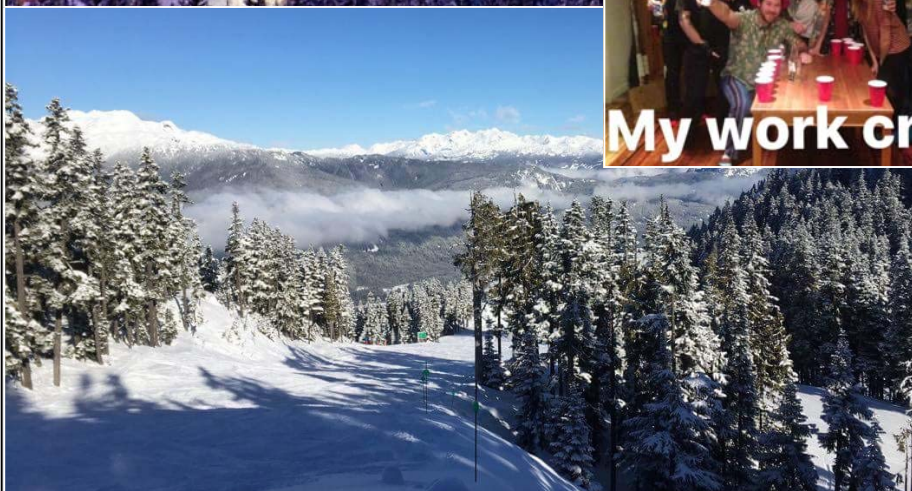

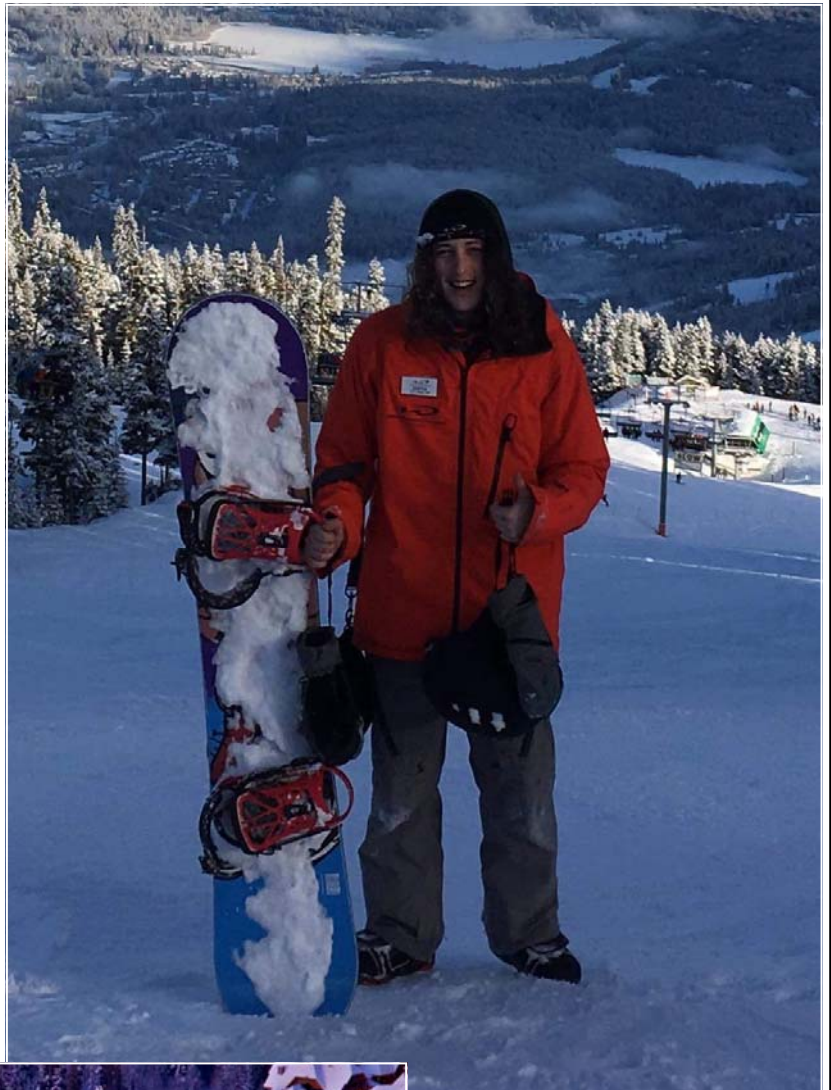

He does lots of shoveling of snow and keeping the area safe for the kids as well as helping them to snow board. He is working on his snowboarding instructor's certificate and hopes to eventually move in that direction next snow season.

Kurtis has made lots and lots of friends from all over the world and has adapted to the freezing conditions like a duck to water.

He would like to say hi to everyone here in Pine Creek, the kids he worked with, the seniors and his work colleagues at the Vic Daly Office.

And NO he won't be home any time soon! :)

Hope you all like his pictures.

# MRC DRAINAGE UPGRADE

VDRC Civil Crew have been working hard finishing the much needed repairs to our Indoor Cricket Centre drainage. Unfortunately the weather has not been kind and they have battled through our wettest season in years. The new drain is now complete, stopping water from rushing across the Indoor Cricket Court.

## Pine Creek Waste Facility Upgrade

VDRC Civil Crew have also started the rehabilitation of the Pine Creek dump. This is ongoing rehabilitation and maintenance **so anyone visiting the dump is asked to take care around moving Machinery and be aware that visibility from the machines is not always clear.**

## FERG's News

It has been another quiet month in our region with no call-outs. Drivers have maintained a very good safety record this Wet Season, however, with rain still around I urge caution until it abates.

Recently I attended a course in Darwin with my deputy Sam Forwood. The course was run by NTES and was called the Australasian Inter-Service Incident Management System or AIIMS for short. AIIMS is the system used to control all disasters in Australia, NZ, and some countries in Asia. By using the AIIMS system, all Emergency Services and associated agencies can work together and have one common goal and focus. AIIMS was recently used in the Daly River community evacuation and was very effective in achieving a suitable and safe outcome for affected residents.

This knowledge will enable Sam and myself to coordinate and assist with any local emergency in our region.

As always we need new members, so if you are 18yrs and older, maintain a reasonable level of fitness and are willing to undergo a Criminal history check, then give me a call, we train most Thursdays from 5pm, uniforms and training are free.

## Councillors' Corner

The Vic Daly Regional Council will be holding two International Women's Day events. These activities are made possible due to a successful grant application from the Hon. Dale Wakefield, Minister for Territory Families. A dinner will be held at the Pine Creek Hotel on Tuesday 6 March at 6.30pm. On Wednesday 7 March, a morning tea will be hosted at Kybrook community. Both events will feature guest speakers; woman who have made a contribution in their field. Our first Pine Creek Local Authority meeting for 2018 will be held on Wednesday 7 March commencing at 6pm. The meeting is open to all Pine Creek residents. A workshop will also be incorporated into the meeting agenda on the first phase of developing our Regional Plan. Our Regional Plan is a document developed by the community to focus on 'wish list' and prioritise projects and activities for the next financial year. Work is progressing on the upgrade of the Pine Creek Dump. Council has a strategy for waste Management in our Council Region to move away from dumping at a face. The model will feature waste transfer stations, recycling areas, fencing and development of above ground refuse cells and leachate control ponds. Kalkarindji and Yarralin will be developed first due to successful funding of \$0.647M and Pine Creek and Nauiyu when grant funding available.

The next meeting of the Vic Daly Regional Council will be held in Pine Creek on Tuesday 27 March 2018.

## Lawn mowing and odd jobs.

Hi, my name is Dan Isaac.

I am 11yrs old and I live in Pine Creek.

I am looking for weekend work.

I can mow lawns, do odd jobs around the yard, gardening, washing dogs etc.

I also have my own mower.

Please call my Mum on **0429709009** and leave a message.

I am home most weekends and can call around to discuss jobs and

prices.
